

MISSION STATEMENT

The Mt. Zion Church of God (7th Day)'s sole purpose and objective are to worship God, make disciples for Jesus Christ of all people, teach the Word of God, and foster Judeo-Christian fellowship among its members for the edification of the body of believers. Our mission is to forge our families, our friends and ourselves into a biblically functioning community of Christ's disciples.

Our Beliefs...

The Mt. Zion Church of God (7th Day) believes there often is a marked difference between what the Bible in fact teaches and what is generally taught to be scriptural "truth" by many believers. Since truth sets human free (John 8:32), it is the great responsibility of the truth-seeking individual to study the Bible openly and honestly to find further truth and enjoy a standing of approval before the all-knowing Advocate of truth.

We are always open to spiritual growth and to new and better understanding of the Bible.

Established in 1970, this historic landmark is a vibrant church that worships God each Sabbath, teaching modern applications directly from the pages of God's word.
